

Dover castle : Knight's fees owing castle-guard service at Dover :
Text -- version A

Fees which are owed for the guard of the castle of Dover

<This is my reconstruction of the list in its original form, put together, so it seems, in 1232 or soon after. For the overall shape I follow version B. For the spelling, which is bad in B and worse in C, I rely to some extent on D; but mostly I rely on the copy in Reg K, fos 123v-4v. There are no rules, however. In the end I just choose the spelling which I like best.>
