

Samuel and Nathaniel Buck  
[Six view of towns and ports in Kent]  
London  
1739

For the publication history of this series see the preceding file.

The plates in set 7 are as follows:

<1> [The south prospect of Dover, in the county of Kent.](#)

<2> [The north-west prospect of Sheerness, in the county of Kent.](#)

<3> [The north prospect of Gravesend in the county of Kent.](#)

<4> [The north prospect of Woolwich, in the county of Kent.](#)

<5> [The north-west prospect of Greenwich, in the county of Kent.](#)

<6> [The north-west prospect of Deptford, in the county of Kent.](#)

The imprint varies very slightly from plate to plate, but looks more or less like this:

[Saml. & Nathl. Buck delin. et Sculp. Publish'd according to Act of Parliament March 26. 1739. Garden Co. No. 1. Middle Temple London.](#)

Plates <5> and <6> are so designed that they can optionally be joined together to make a panorama.

The original drawings were presumably made in 1735.

C.F. May 2011.
