The lithographed views of country houses are uniformly feeble. Half of them are the work of T. J. Rawlins (41 out of 82), the rest by G. Childs (13), A. Grieve (7), G. Barnard (6), J. Brandard (6), G. Rymer (5), W. Gauci (4). The frontispiece and all but two of the views were printed by Robert Martin; the remaining two views were printed by William Day and Louis Haghe, "Lithographers to the Queen" as they advertise themselves.
